Profile

I was born in 1998 and I am a dedicated and organized Library and Information Science graduate from Makerere University, seeking to leverage my academic background and hands-on experience in library management and information services in a challenging role that fosters professional growth and development.

I am a person living with a disability (cerebral palsy) but this doesn't limit my performance in any way.

I graduated this year 2025.

Summary of skills

I am able to communicate with everyone respectfully .

I am able to concentrate on all areas in order to produce high quality results.

I am able to respond to unexpected changes quickly, efficiently and calmly.

I am able to schedule my work and organize team activities .
