## Objective

To obtain an internship or job to improve my work experience, job outreach, employment stability, and ability to help other people

## Education

University of California, Riverside (UCR) Expected June 2023  
**Bachelor of Arts in Ethnic Studies** **GPA: 3.88**

Moreno Valley College June 2020  
**Associate of Arts Humanities/Humanistic Studies**

## Volunteer Experience

Umoja Community Education Foundation, Inc., Moreno Valley, CA August 2016 - March 2020

### **Community Volunteer**

- Assisted in the planning of community holiday events with the Umoja Club.
- Coordinated and operated as the main food caterer for the Umoja Community in the MVC's Halloween fest of 2019.
- Motivated fellow Umoja students who needed assistance in their community duties and roles.

## Work Experience

IHSS Provider January 2023 - Current

- Assists in caring for my current client and his needs as a provider
- Coordinates the daily care of my recipient based on my assigned weekly and monthly hours
- Makes sure that through my care my client can stay safely in his home
- Has to report my hours to the county of San Bernadino in accordance to the guidelines and timetables that my client and I are responsible for

## Research Experience

HISA 163A Colonial Mexico Final Essay March 2021 - June 2021

### **Student Researcher**

- Used the archives of the New Mexico Digital Collections to do research on La Malinche
- Examined the documents found in the archive's database to piece together La Malinche's involvement in Mexico's history
- Interpreted the documents in the best way possible to make a complete 10 page essay

ETST 109J Race, Gender, Power, and Knowledge Final Project

February 2021 - March 2021

**Research Project Assistant**

- Assisted in the creation of a project about finding a transformative justice and prison abolition solution to the carceral state and violence towards women of color.
- Examined multiple sources to assist in solutions to provide safety from harm for women of color, bring awareness to communities, and impact the federal justice system to implement change in legislation.
- Collaborated with project team members to talk about our research in order to find more solutions for the goals of our project and in the end put the project together into a scenario that could be implemented in real life including towards accommodations for disabled people.

**Skills**
