Work Experience

Adjunct Instructor

University of the People

January 2023 to Present

Responsibilities include course-related activities which consist of responding to student emails and messages, posting discussion questions, engaging with students, grading learning journals, and reviewing peer assessments.

Search Engine Evaluator

APPEN CONNECT

June 2019 to Present

I performed basic online tasks to evaluate the quality and relevance of internet-based search results, advertisements and/or web page content.

Quality Assurance Specialist

ONESPACE

September 2015 to May 2018

I ensured that all external standards were observed before the final product reached the customer.

Apparel Associate

Walmart

November 2020

I greeted customers on the salesfloor, offered them assistance and recommended merchandise based on the customer's wants and needs.

Education

Master's degree in Sociology

University of Alabama at Birmingham

October 2017 to October 2020

Bachelor's degree in Sociology

UT Permian Basin

August 2014 to August 2017
