Work Experience

Owner/Artist

Lana Feltwerks-San Luis Obispo, CA

2007 to Present

Owned and operated my own small business. Brainstormed concepts for unique needle-felted art dolls, and created dolls utilizing wire armature and loose wool felted into shape with various felting needles. Created commissioned pieces as well as my own unique concept pieces, always striving to learn new techniques along the way. My aim was to bring joy to people if only for that single moment that they held that doll.
