ABOUT ME

My name is Douglas Webster Schroeter, I am a freelancing Graphic Designer and Animator. I have worked for over 8+ years as an artist and computer enthusiast. I am very focus and dedicated in the work I am skilled at and willing to learn new skills to help further add to my set of skills. I am a team player and have good communication skills.

EXPERIENCE

<https://malvorlagen-seite.de/>

(Illustrator & Art Manager) (2016-2025)

My job was to create and design coloring pages, web comics and activity sheets along with managing the sites files while also advertising it existence. I have been doing this for the past 10 years.

Transcribe Site (Defunct)

Transcriptionist (2019-2021)

My job was to listen to audio recordings and write down what I heard. Unfortunately the job was very short lived and the online site couldn't pay.

Freelance

Air Brush T-Shirt Business (2007-2009)

Side hustle job to make some quick cash but the business didn't last very long for it to thrive. Had to closed down as I did not have a license.

Assemble computers for customers (2010-2025)

A home-based computer shop to help build or fix computers for customers who were not tech-savvy. I discontinued the home business to move back to Bahamas in 2025.

Data-Entry (2017-2018)

I work with a individual to help on the side for his website. There was no name or I was given the site name I was just asked for help.

German (Basic)

EDUCATION

Boyd Anderson High (2001-2005)

Institution

Alison Online Education – *Graphic Design for Modern Creative* (2024-2025)

Alison Online Education - *Data Entry Tools and Techniques* - (2024-2025)

Accommodations

Upon hiring me, I would like to request should I get a cashier or front desk job if I could receive a chair to rest my legs only if customers are not present at the desk for service. A request I asked due to medical reasons.
